Dear [redacted]

STAT

The following proposals which were submitted to [redacted] have been studied by appropriate individuals in this organization. STAT

"Proposal for Testing and Evaluation of Photo Interpreter Performance" October 17, 1960

"Proposal for Design and Administration of a Photo Interpreter Training Program" December 1960

We greatly appreciate the opportunity to review these proposals, but at present we are not in a position to take positive action on either of them.

Although these subjects are of interest to this organization, our immediate plans for future development have not reached a stage calling for the initiation of programs of this nature. We will be in touch with you should our activity require assistance in these areas.

We welcome the opportunity to review developments in this field and thank you for your interest.
